

2010 Spring Basketball Team Information

Wear Out The Net will be offering boys and girls basketball players the opportunity to participate on spring basketball teams. Our philosophy will be to ensure top notch coaching by teaching the essential fundamentals of the game, practicing to prepare for competitive play as well as having fun while improving in the off season.

- *Teams will compete in five MYAS and/or AAU basketball tournaments.
- *Selected teams will also participate in out-of-state tournaments. These elite teams will incur a higher cost according to tournaments.
- *Teams will consist of 8-10 players selected by the WOTN staff and will be formed by March, 2010.
- *Teams will be formed based on player interest at each age group. Our goal is to place players at their appropriate playing level. We cannot guarantee a spot for all interested players. If needed we will hold try-outs to field competitive teams.
- *Fees will be \$450.00 per player. These fees include tournaments, coach and practice facility usage (guaranteed two 90 minute practices per tournament). The fees do not include travel expenses.
